

Aboo Dawood reported (no. 345)

From Aws ibn Aws ath-Thaqafee:

I heard Allaah's Messenger (صلى الله عليه وسلم) say:

<<Whoever washes his head on the day of Jumu`ah, and takes a bath and arrives in time; and he walks and he does not ride; and he draws close to the imaam; and he listens and he does not speak. Then for every step which he takes there will be for him the reward of a year: the reward of fasting it and standing in Prayer.>>
